

Hi all,

Just a quick update about possible activities.

I have attached a list of tricky words/dolch list. These words are listed at the back of the sight and sounds book. Usually list 1 is introduced in Junior Infants (I, the, he, she, me, we, be, was, to, do, are, all). All will be repeated in Senior Infants anyways.

Possible activities you could do using some of the words (first 5-10):

- Make a memory game
- Make the words using play dough
- Trace the words with your fingers in sand/flour
- Trace the words on paper using a pencil/ markers/ crayons
- Paint the words
- Unjumble the letters to make words and stick them on paper
- Use magnetic letters to make the words
- Write them on whiteboards/ sketch boards
- Try and find the words in story books or other texts when you read them

Hopefully you find this helpful, if you have any questions you can contact us on Seesaw.

Two websites which we use daily are:

- [www.starfall.com](http://www.starfall.com) (The website is better than the app) The children are very familiar with this website.
- [www.topmarks.co.uk](http://www.topmarks.co.uk) This website has lots of maths resources which the children are also familiar with.

FolensOnline.ie are also giving free access to their digital resources. The children's planet maths book has matching games and activities online on FolensOnline.ie.

1. Go to FolensOnline.ie and click register
2. Select teacher
3. Fill in username, email and password
4. For roll number, use the code Prim20
