

1. Complete Mental Maths each day and Friday test – **Week 12**

2. **Maths:**

- Planet Maths - Division 2 – P. 90-94 (Dividing by 4 & 8)
- Daily practice of x4 and x8 times tables on Daily 10 (<https://www.topmarks.co.uk/maths-games/daily10>) is also a great way of learning tables (Level 3, select x4 , x8 up to 10, and select time).
- Tables games – dominoes & matching game are useful if finding tables difficult.
- Division wheel activities (Seesaw).

3. **English:**

Ready to Go: Please Look After This Bear (P. 156 – 164)

- Small book: Activities A, B, C, D, E – P. 165 + 166
  - i. Activities to be completed into copies.
- Portfolio Book: Activities A, B, C, D, E, F, G – P. 86 – 89

Grammar activities (Seesaw).

4. **Gaeilge:**

Bua na Cainte Leabhar Litrithe

- Bia: Aonad 1 – 3 (Complete one page per day)
- Bia word search activities (Seesaw).
- Grammar activities (Seesaw).

5. **SESE:**

- Reading comprehension – The Sun (Seesaw). Read and complete the questions using full sentences into your copies.
- The Sun – Cloze Procedure (Seesaw).
- The children need to prepare a project on Romania which is their chosen country for International Week.
  - i. Read Fact File on Romania (Seesaw).
  - ii. Complete Romania Fact File template (Seesaw) which will help with their overall project.
  - iii. Aspects such as clothes, food, culture, religion, physical landscape etc. should be included in their project. Research on these on these aspects can be completed using the internet and books.

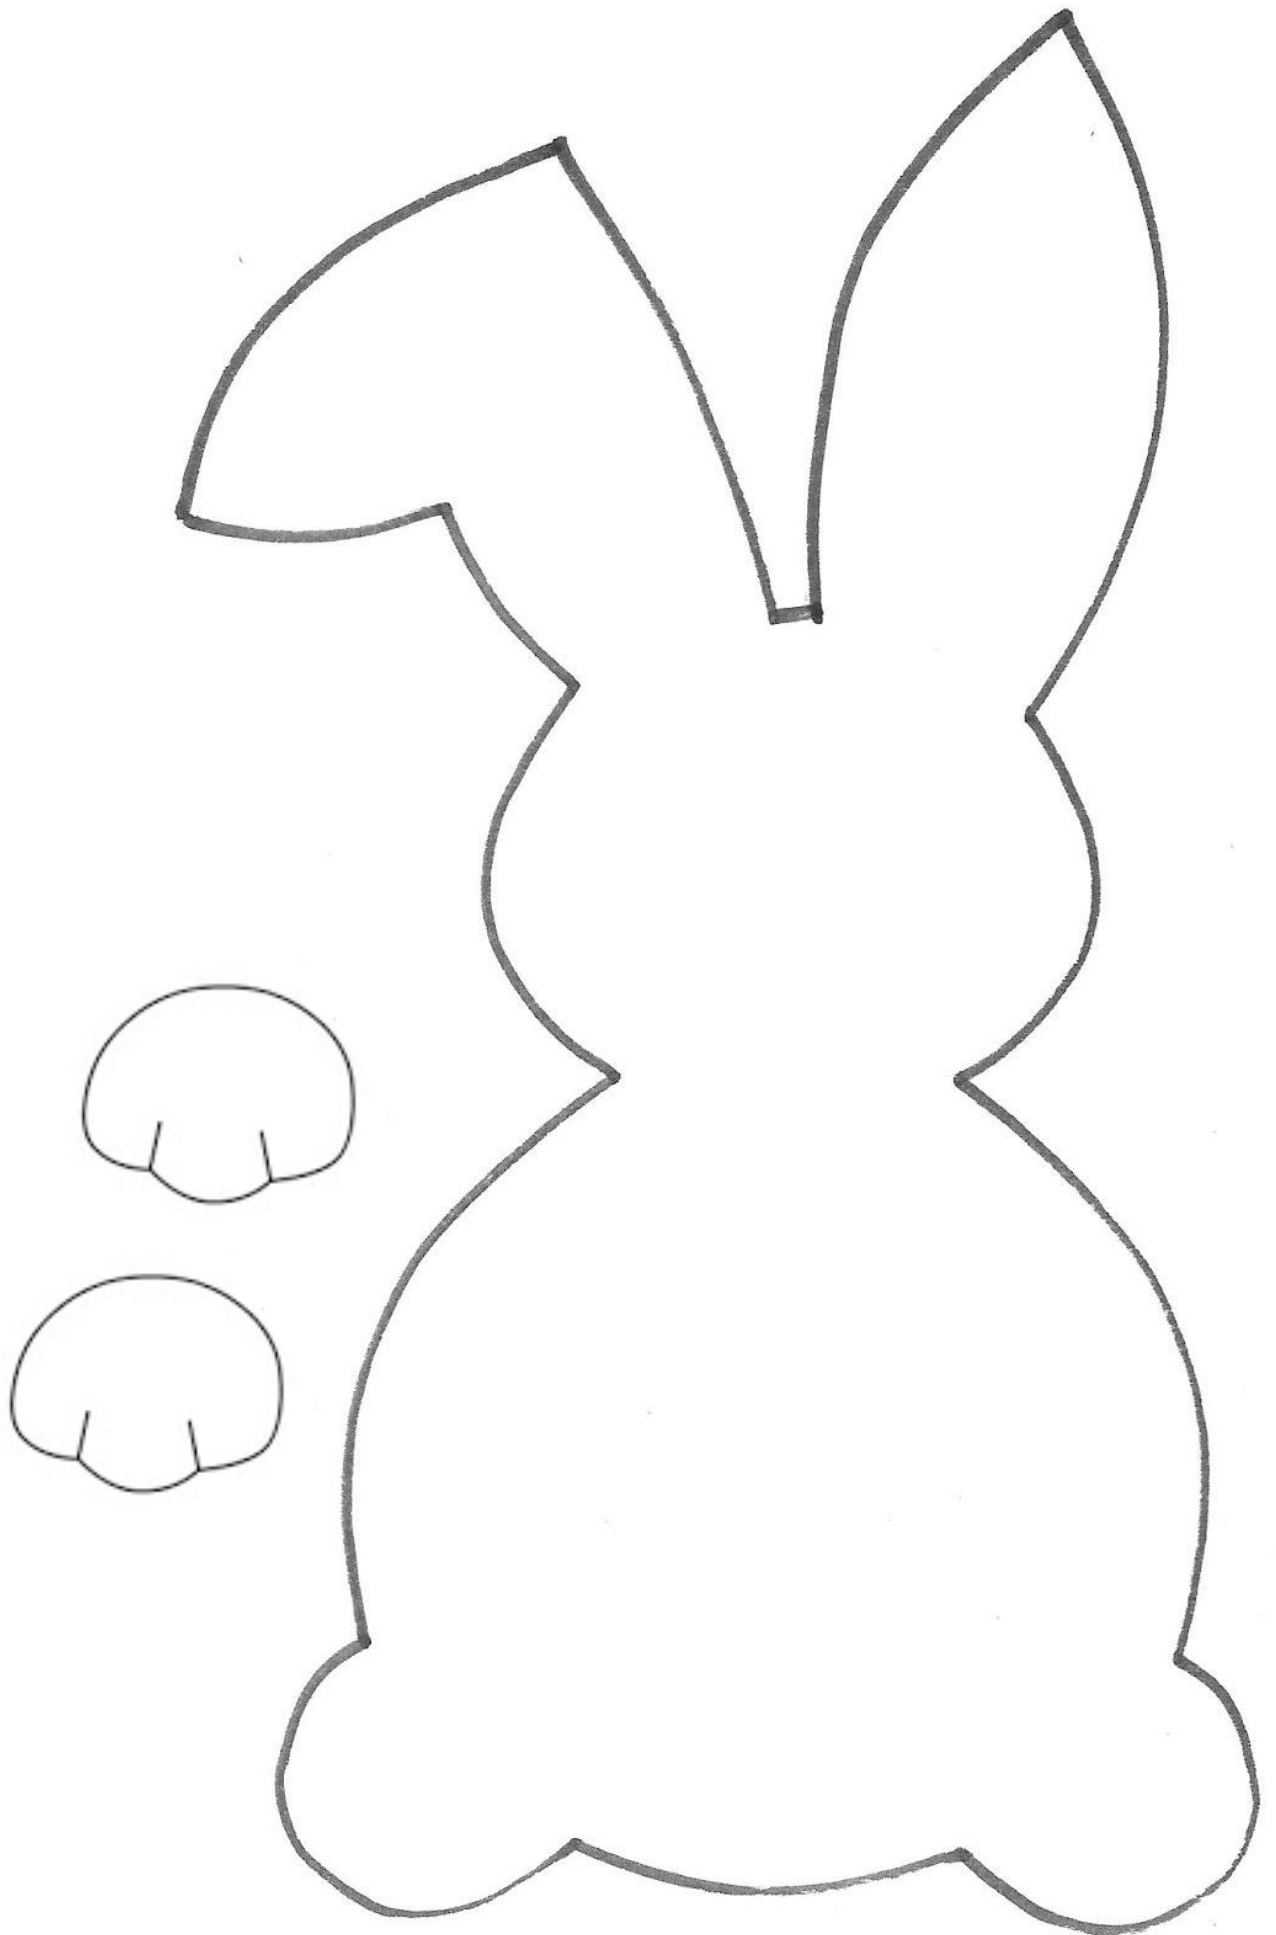

6. **Religion:**

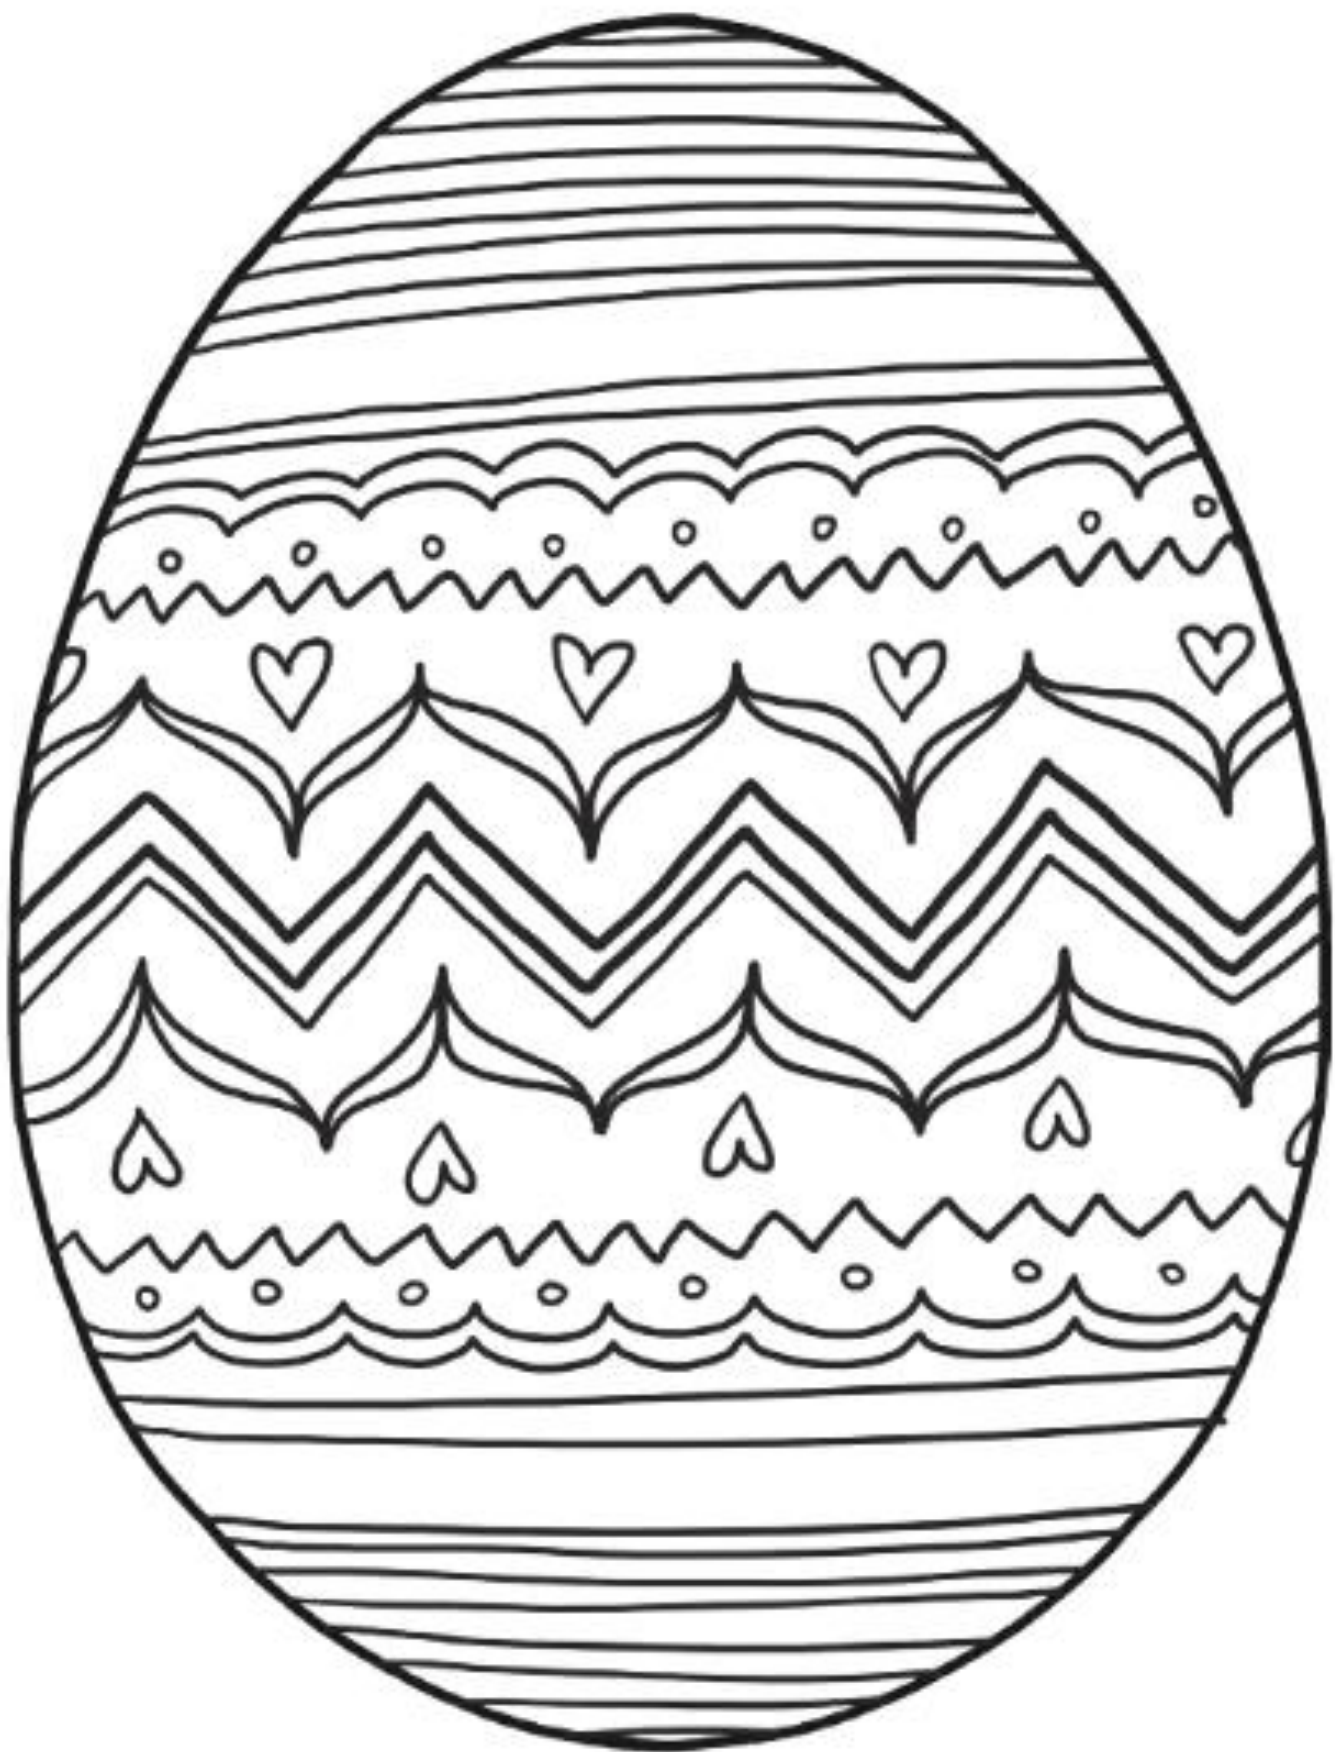

- Holy Week
  - i. PowerPoint (Seesaw)
  - ii. Holy Week activity sheets (Seesaw)
  - iii. Write a summary of the important days of Holy Week and draw a picture to accompany each day.

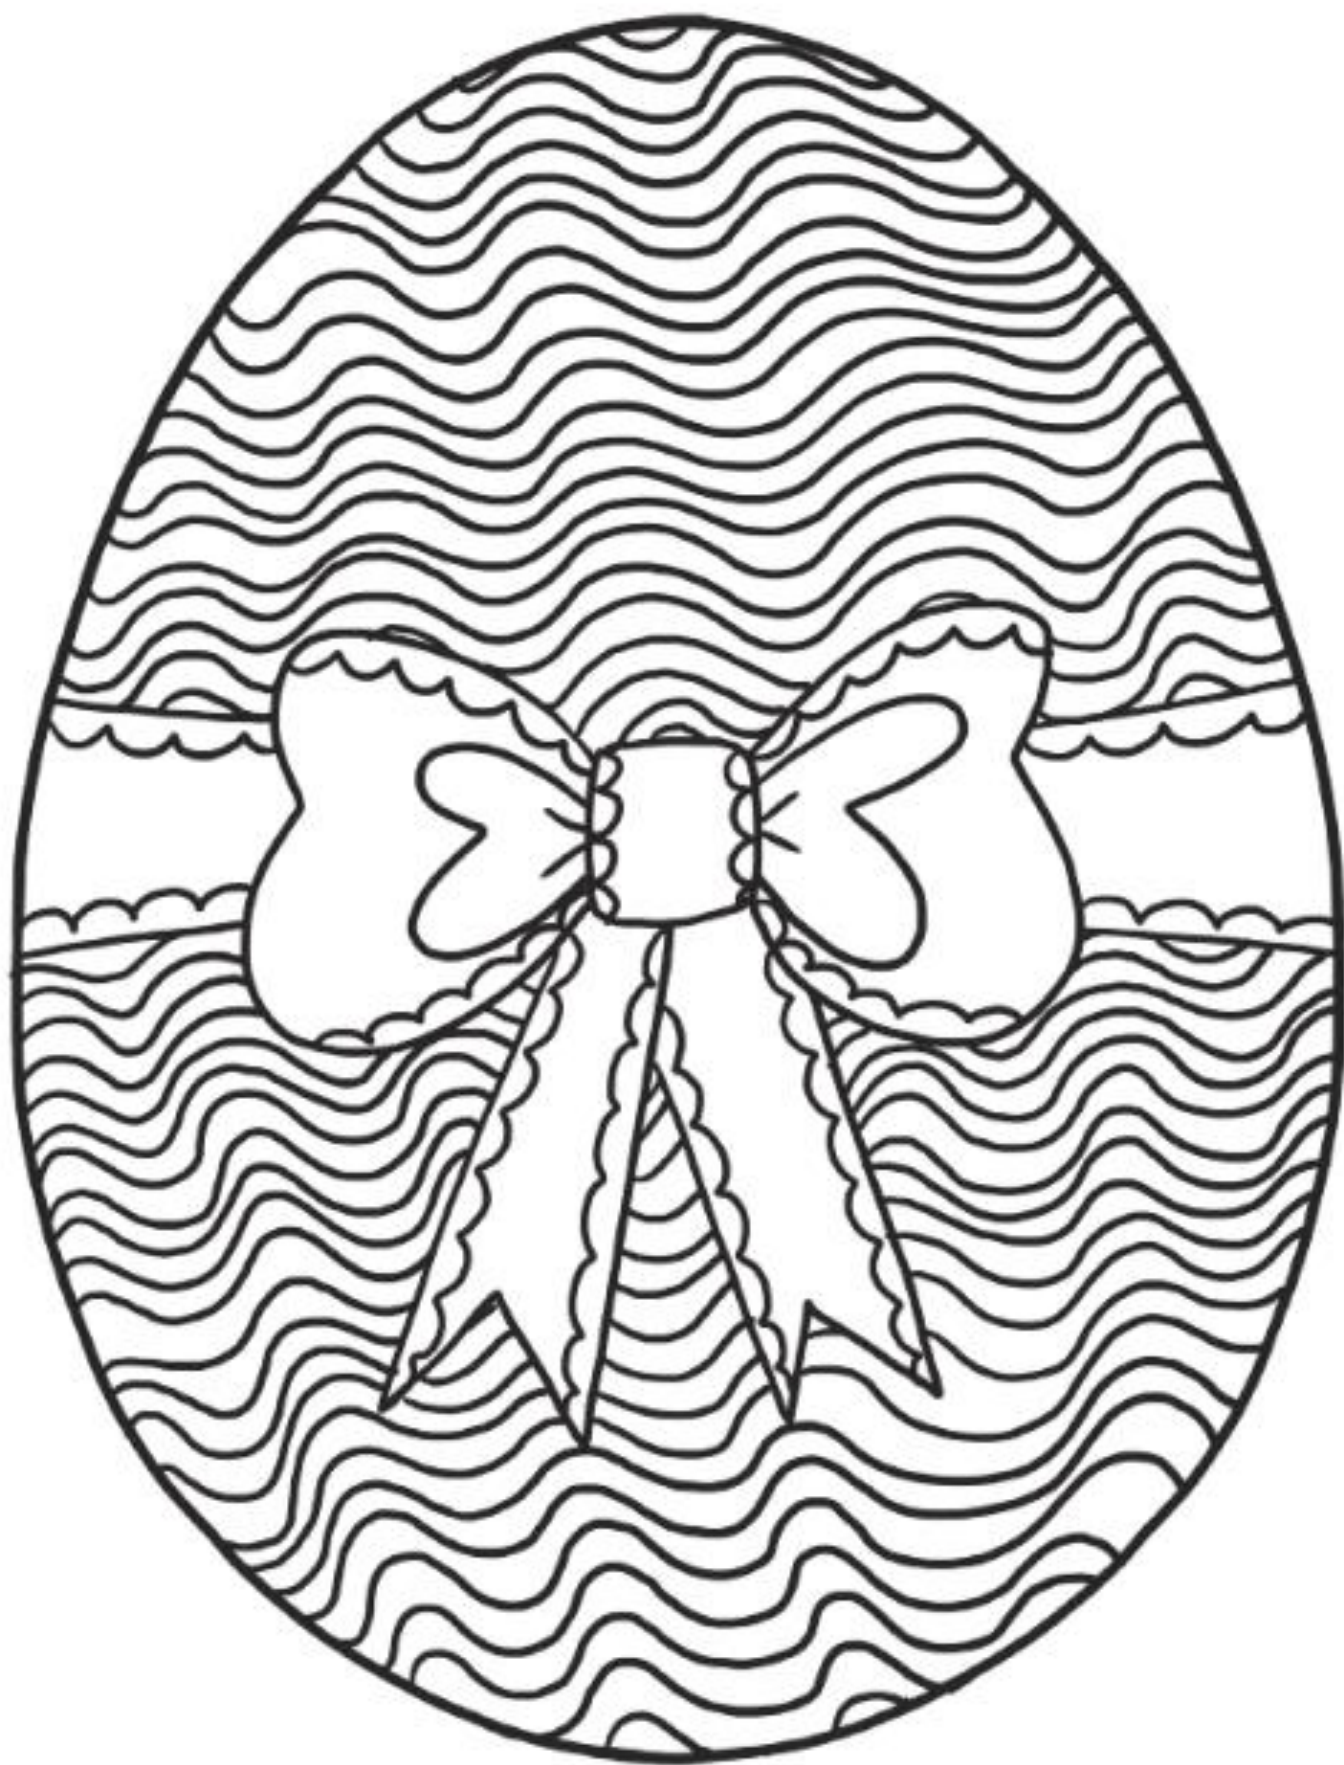

7. **Art (optional if access to a printer):**

- Easter art:
  - i. Colour in Easter egg (attached below) or design your own Easter egg and cut out.
  - ii. Colour in Easter bunny, draw the facial features and cut out (template attached below).
  - iii. Cut in zig zag lines about  $\frac{1}{4}$  of the way down the top of the egg and stick over the bunny.
  - iv. Stick on hands, and the top part of the egg to the side of the bunny's head.
  - v. A sample of the finished product is also attached to help if the children choose to make it and a video on Seesaw.

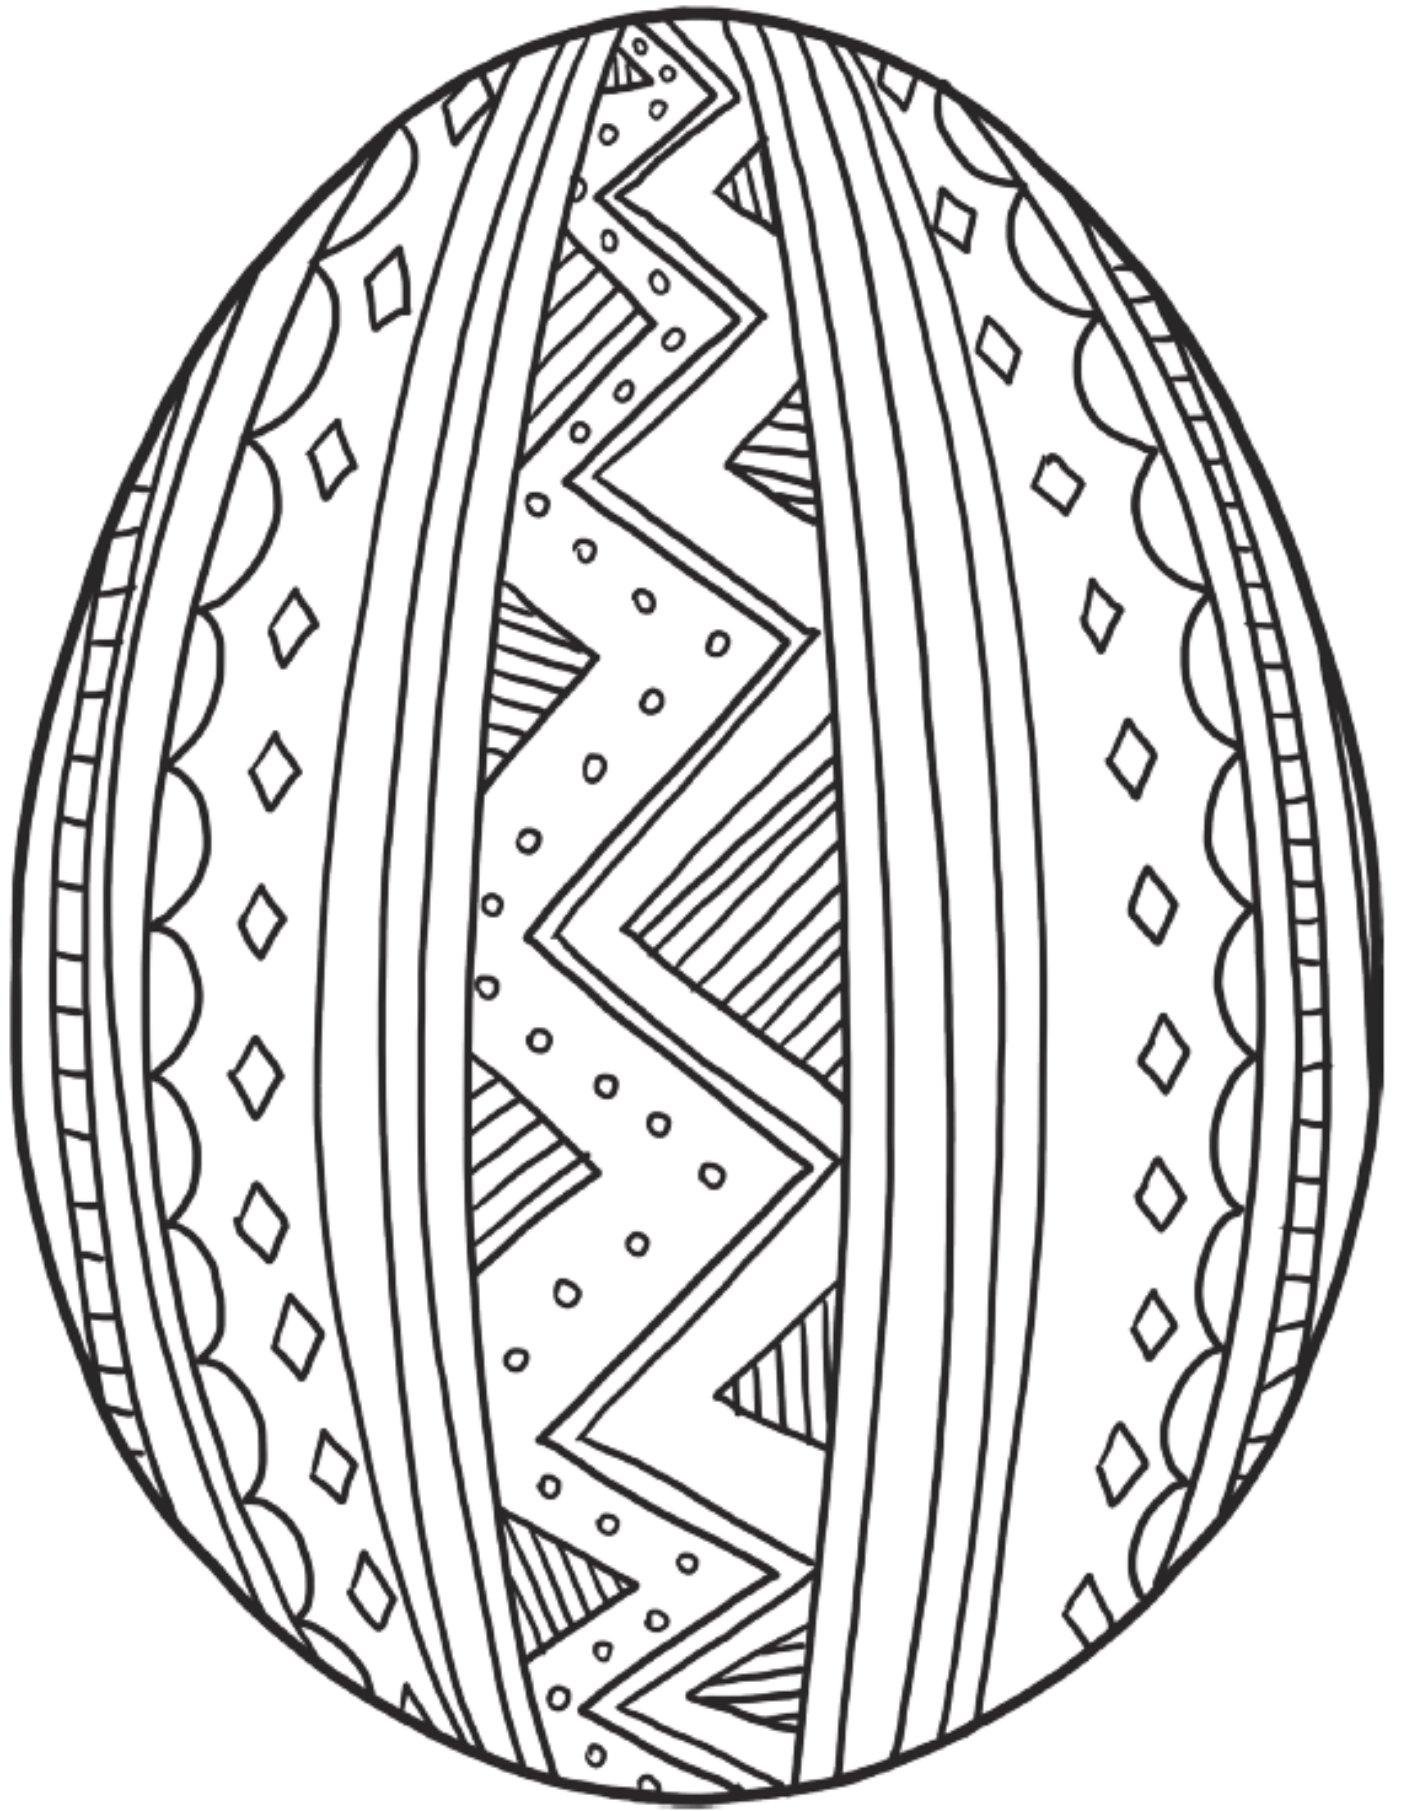

Various activities are available on Seesaw. Remember the children need to select their **own** profile before completing activities. Upload photos of mental maths, the work completed in books and in their copy to their Seesaw profile.

# Design Your Own Easter Egg
