\*Look at Seesaw for extra activities (Sign in using the class code and click on the **activities tab**).

\*Outdoor games and activities on Seesaw.

\*For extra English work, children may complete the activities in their Lift Off readers on pgs. 196, 197 in their Spare copies.

\*I would like to ask all parents to take pictures where possible of their child doing other activities e.g. baking, playing board games, nature walks, etc. as I plan to make a booklet with the children when we come back to school about the different activities they did over the school closure. These pictures can be uploaded to Seesaw or you can print them from home. Thank you.

For extra work Twinkl Ireland is offering parents a **FREE** one-month subscription to Twinkl.ie. This will allow parents unlimited access to all resources for every single curriculum subject. Setting this subscription up is very easy. Just go to [www.twinkl.ie/offer](http://www.twinkl.ie/offer) and enter the code IRLTWINKLHELPS. Hope this helps.

\*Each child should pick an outfit and write a small piece in their spare copies about the outfit they have chosen using the sentences above. Your child can then choose to video themselves or take a picture of themselves and talk about their clothes as Gaeilge. If your child does not want to take a video or speak in the video, a picture is fine along with their written piece on what they are wearing.

Complete the word search below and translate the irish words into English.
