

Work should be completed in writing homework and maths homework copies.

**Maths: Planet Maths** pgs 117,118,119,120 and 121

**Mental Maths** Week 26

Use your mangahigh login details and revise topics already covered in class.

**Abair liom** An Teicneolaíocht Timpeall Orainn pg 94

- Activity B pg 95
- Activity D pg 96
- Activity G pg 98

The children should go over all their verbs and verb tenses especially irregular verbs. They should write sentences practising the use of these verbs in different tenses.

**English:**

Flying High-Read the Chapter entitled Once and answer questions after the chapter

Do the creative writing task in Flying High portfolio book.

Diary-Keep a daily diary/blog/vlog on your experiences of the Covid 19 outbreak. This does not need to be shared on Seesaw.

Get your parents to sign in to Brainpop and research additional material on World War 1.

**Religion:**

My Confirmation Book pgs 42,43 and 44

**Physical Education**

Exercise everyday-go for a walk/hike/cycle. Lots of great places to go near you.

Get your parents to download the geocache app and go explore!

Do a workout every morning-The Bodycoach has daily lessons on youtube for children.

*The children need to prepare a project on Brazil which is their chosen country for International Week. They should include all aspects of the country eg; clothes, food, culture, religion, climate etc. Check out completed projects on the seesaw blog <https://blog.seesaw.me/6thclasskilbeggan>*

Upload a word document/video on your experience of social distancing/self isolation over the past few weeks. Make it interesting, discuss what you have found difficult. How have you overcome the challenges of spending extra time with your immediate family. What positives have you taken from the experience.
