The children need to prepare a project on Brazil which is their chosen country for International Week. They should include all aspects of the country eg; clothes, food, culture, religion, climate etc. Check out completed projects on the seesaw blog <https://blog.seesaw.me/6thclasskilbeggan>

Over the next few weeks I would like you to choose a woman in history or present day who made a difference to society by her actions/deeds. You can choose someone in music/sport/history etc. I'd like if you could do the project online-powerpoint, word etc. It can be completed in 2 to 3 weeks

Upload any pictures, videos of the children doing any extra work at home-baking, gardening, exercising etc. I'll upload them to the class blog.
