

Please complete the following work over the week

Week 10 **email:** eileenoneill@kilbeggannationalschool.com

1st Class English

Reading: Two new readers from the *loving2read* series on SEESAW. Record yourself reading aloud.

Phonics/Sight vocabulary: Activities on SEESAW. This week we will focus on the vowel digraph -ie- and revising c.v.c. words and sight vocabulary.

1st Class Maths

We will be working on 2-D Shapes. <https://www.starfall.com/h/geometry/puzzles-easy/?>

If you didn't get last week's work done you can do that instead. All video links, activities and worksheets are on SEESAW

Continue to learn the addition tables. Use Topmarks (daily ten) to practise them. See link below.

<https://www.topmarks.co.uk/maths-games/daily10>

I have also highlighted skills for you to practise on IXL in the 1st Class section. I sent out a new password by email during the week.

3rd Class Blue English

Reading: Continue to read books on GET EPIC. You can record yourself reading a few pages on SEESAW. The read-to-me books are a great resource also.

Reading Comprehension: On SEESAW you will find comprehension sheets revising the skills practised over the last few weeks.

I have put pages from *Reading and thinking on SEESAW* (You will remember these from school)

3rd Class Blue Maths

This week we will be working on Symmetry and Area.

All work is on SEESAW with videos explaining it.

In addition there are skills to practise on IXL. These are highlighted with a yellow star yellow in the 3rd Class section. I sent out a new password by email this week.

Continue to go back over all the multiplication tables. You can practise them on topmarks like we did at school: <https://www.topmarks.co.uk/maths-games/daily10>

- **If you are having any difficulties or have any queries at all please don't hesitate to contact me by email or through Seesaw.**
